

AU: GASGAS RECALLS 2022-2025 MOTOCROSS, ENDURO AND CROSS COUNTRY MOTORCYCLES WITH BRAKTEC BRAKE SYSTEMS

2022-2025 motocross, enduro and cross country models with Braktec brake systems to be inspected by an authorised GASGAS dealer for potential replacement of the front brake calipers.

Valid for market

GASGAS is recalling all 2022-2025 motocross, enduro and cross country models with Braktec brake systems in order for authorised GASGAS dealers to check a potential issue with the front brake caliper. Irregularities in the casting structure of a specific component may impair the function of the front brake caliper, and consequently this must be inspected and replaced if necessary.

Owners of these models must return their machine to an authorised GASGAS dealer to have the front brake caliper inspected and replaced as required.

Customers who have already acquired one of the above-named motorcycles are being informed by personal letter and are asked to contact an authorised GASGAS dealer to arrange an urgent inspection appointment.

In addition, customers can check online in the 'Service' area of the GASGAS website to determine if their motorcycle is affected by this recall. The inspection and replacement of all affected parts will be carried out at no cost to the customer and must only be performed by authorised GASGAS dealers.

Further information on all authorised dealers can be found on the GASGAS website: <https://www.gasgas.com/dealer-search>

Important Australian market Safety Recall information:

Information for owners / consumers with official Safety Recall instruction and guidance in relation to these models is available via the following links:

- For Vehicle Recalls (Australian road vehicles and approved road vehicle components), see: [REC-006266 - KTM Australia Pty Ltd - GASGAS EC 2 and 4 stroke 2022 - 2025 | Vehicle Recalls](#)
- For unregistered type or offroad vehicles, see: [GASGAS Cross Country and MX Competition motorcycles | ACCC Product Safety](#)

Information on authorised GASGAS dealers can be found using the dealer search function at: <https://www.gasgas.com/en-au/dealer-search.html>
